

SHAKTHI

PASSIONATE ABOUT DESIGNING WEBSITES

ABOUT ME

A highly self-motivated fourth-year undergraduate pursuing a BTech in Computer Science and Engineering . An enthusiastic and dedicated fresher in software development, proficient in HTML, CSS, Java and JavaScript. Seeking a competitive position to enhance my skills and contribute to a professional organization. I'm very much passionate to learn new stuff that interests me and can help me to get better.

PROJECTS

Personal Portfolio Website

Developed a personal portfolio website to showcase my skills, projects, and achievements. The website features a clean and modern design, responsive layout, and interactive elements to enhance user experience.

Canteen Connect

Built 'Canteen Connect,' a web application using HTML and CSS to create a responsive and user-friendly interface for browsing menus, placing orders, and tracking order status, enhancing the canteen experience.

Predictive Modelling of Electricity Prices

Implemented machine learning techniques to forecast electricity prices, leveraging historical data to enhance prediction accuracy and support informed energy management decisions.

ADDITIONAL

- **Vebox Software Solutions** Certified for WebDevelopment intern (offline).
- **Internepe** certified for WebDevelopMent Intern (online).
- **Oasis Infobyte** Certified for WebDevelopment Intern (online).
- **CognoRise infoTech** certified for WebDevelopment Intern (online).
- **Code Alpha** certified for Java intern (online).
- Secured top 3 finishes in inter-collegiate chess tournaments
- Team winner of Sastra Deemed University's Annual Chess Tournament in 2021 and 2024.
